

Abbreviated Formulary

This is an abbreviated list of commonly prescribed generic and preferred brand medications on the ClearScript Formulary. This is not a complete list of medications on the formulary.

Please refer to your benefit plan documents for information on your plan's coverage for these medications or contact ClearScript Member Services at the number on the back of your ID Card.

Important Note: The drugs included on this list may not be covered by all benefit plans. Your benefit plan determines coverage for all medications. Additional coverage restrictions may apply for the medications included on this list. This list is subject to change throughout the year.
