

2020 Quality — Injectable Medication List

The following is PreferredOne's list of injectable medications. This list is subject to change and is inclusive of injectables that may be considered specialty medications. Coverage of the listed products is subject to the limitations of your prescription drug benefit plan, and there may be exceptions where a medication may be covered based on benefit design and not by tier. There may be drugs included on this list that are not covered by all prescription drug benefit plans.

Medications on this drug list may require prior authorization before coverage is provided. Please consult your benefit plan information or contact a customer service representative at 1-800-997-1750 or visit PreferredOne.com for more information.
